

Epoxy-Coat® Warranty
Performance Floor Coating Systems, Inc. Warranty
Toledo Floor, Inc. Warranty

Final; Revised June 28, 2012

Epoxy-Coat® Warranty

Residential Warranty

Epoxy-Coat® shall warranty its residential coating applications against peeling for the lifetime of the floor for the original purchaser, providing its application is in accordance with Epoxy-Coat preparation and application procedures, and the warranty registration certificate is completely filled out and mailed or e-mailed back within 10 days of purchase.

This warranty exclusively applies to peeling coatings caused as a direct result of product failure.

The sole and exclusive maximum liability of Epoxy-Coat under this warranty will be to replace the appropriate quantity of material necessary for re-coating warranted area.

Please allow for shipping and handling costs.

The express warranties set forth in this purchase are in lieu of all other warranties, expressed or implied, including, without limitation, any warranties of merchantability or fitness for a particular purpose.

Customer agrees that his/her exclusive remedies and the entire liability of Epoxy-Coat with respect to the specified floor coatings, are set forth in this agreement. Epoxy-Coat will not be liable to customer for any damages, including any lost profits or other incidental or consequential damages arising out of its use of the floor coating or the breach of any warranty.

This Limited Lifetime warranty is non-transferable.

Please allow for shipping and handling costs.

The express warranties set forth in this purchase are in lieu of all other warranties, expressed or implied, including, without limitation, any warranties of merchantability or fitness for a particular purpose.

Customer agrees that his/her exclusive remedies and the entire liability of Epoxy-Coat with respect to the specified floor coatings, are set forth in this agreement. Epoxy-Coat will not be liable to customer for any damages, including any lost profits or other incidental or consequential damages arising out of its use of the floor coating or the breach of any warranty.

This Limited Lifetime warranty is non-transferable.

Performance Floor Coating Systems, Inc. Warranty

Performance Floor Coating Systems, Inc. (PFCSI) shall warranty its work against flanking and peeling for a period of one year from the invoice date providing the job has been paid in full to terms.

PFCSI cannot warranty an existing coating adhesion to the concrete or any work that we have not performed.

This warranty applies to flanking or chipping coatings caused as a direct result of product failure. The sole and exclusive maximum liability of PFCSI under this warranty will be at the option of PFCSI to patch failing area/areas or recoat all coated areas PFCSI deems advisable.

The express warranties set forth in this contract are in lieu of all other warranties, expressed or implied, including without limitation, any warranties of merchantability or fitness for a particular purpose.

Customer agrees that his/her exclusive remedies, and the entire liability of PFCSI with respect to the specified floor coatings, are set forth in this agreement. PFCSI will not be liable to customer for any damages, including any lost profits or other incidental or consequential damages arising out of its use of the floor coating or the breach of any warranty.

Limitations and conditions not warranted.

- Hydrostatic pressure; Hydrostatic pressure is caused from moisture being present underneath the concrete slab. Hydrostatic pressure can cause blisters, bubbles and other effects in a resinous coating.
- Sub-surface contaminants; Oil or other contaminants that can come up from within the concrete slab could cause coating failure.
- Deficient Concrete; concrete that breaks apart and exhibits reduced integrity.
- Non-skid; Non-skid will wear out over time and will need to be re-applied. Performance accepts no responsibility as to the time or amount of wearing. The customer is responsible to maintain its own safe limits for slip resistance throughout the life of the floor coating application. TF recommends a coefficient friction of .05 or greater.

Overlayment Warranty

Toledo Floor, Inc. (TF) shall warranty its work against flanking and peeling for a period of one year from the invoice date providing the job has been paid in full to terms.

TF cannot warranty an existing coating adhesion to the concrete or any work that we have not performed.

This warranty applies to flanking or chipping coatings caused as a direct result of product failure. The sole and exclusive maximum liability of TF under this warranty will be at the option of TF to patch failing area/areas or recoat all coated areas TF deems advisable.

The express warranties set forth in this contract are in lieu of all other warranties, expressed or implied, including without limitation, any warranties of merchantability or fitness for a particular purpose.

Customer agrees that his/her exclusive remedies, and the entire liability of TF with respect to the specified floor coatings, are set forth in this agreement. TF will not be liable to customer for any damages, including any lost profits or other incidental or consequential damages arising out of its use of the floor coating or the breach of any warranty.

Limitations and conditions not warranted.

- Hydrostatic pressure; Hydrostatic pressure is caused from moisture being present underneath the concrete slab. Hydrostatic pressure can cause blisters, bubbles and other effects in a resinous coating.
- Sub-surface contaminants; Oil or other contaminants that can come up from within the concrete slab could cause coating failure.
- Deficient Concrete; concrete that breaks apart and exhibits reduced integrity.
- Non-skid; Non-skid will wear out over time and will need to be re-applied. Performance accepts no responsibility as to the time or amount of wearing. The customer is responsible to maintain its own safe limits for slip resistance throughout the life of the floor coating application. TF recommends a coefficient friction of .05 or greater.

Any coating system above a 1/8" will have a two-year warranty as detailed above.

This Limited Lifetime warranty is non-transferable.
